

Play “Ready-golf” to help speed up play!!!

On the tee

The player that is ready should hit first... don't worry about “honors”

Short hitters should hit first

Tee to Green

Take appropriate clubs when you approach your ball

Limit yourself to one practice swing while waiting for your turn to hit

Be ready to hit when it is your turn

Watch carefully where the golf ball of your playing partners lands to eliminate “lost” golf balls

On the Green

Align your putt while waiting for your turn to putt so you are ready

Continue to putt until holed out

On par 3's, allow group waiting on the tee to hit tee shots by waving them up

Park your golf cart or leave your bag between the green and the next tee where practical

Short cuts

Don't record your score until you reach the next tee

If driving a cart, drop partner at his ball and continue driving to your ball

Be conscious of the 5 minute lost ball rule.

Always

Keep up with the group in front of you.

Do not allow groups to play through as this slows everyone down; keep up with the group in front of you.
